Credit facilities may be withdrawn at any time. Credit limits will be set subject to the provision of such financial information as bira direct may request. The customer specifically agrees that bira direct may obtain credit checks from its preferred credit reference agency for the purpose of opening this facility with Stax Trade Centres plc. Certain products cannot be delivered; these include peat and compost along with other bulky lines. Stax reserve the right to decline to deliver certain products based on it being uneconomic to do so. Please contact your local branch for further assistance if required.
