## KMIX STAND MIXER

*Stylish stand mixer which helps you to mix, whisk and knead with ease*

### Versatility

With a 5 litre glass bowl with large handle, superior 1000W motor, planetary mixing action, and a range of clever attachments to choose from, the kMix kitchen machine comfortably handles large quantities of ingredients and the stiffest of doughs.

The unique fold function use a 2.5 turn revolution mixing action to perfectly incorporate ingredients without losing air, which is important in baking mixtures.

### 6 speed settings

**Unique fold function** fold and layer ingredients together, exceptionally good for preparing soufflés

**Smart speed control** - carefully and smoothly build up speed without causing the spillage of ingredients

**Splash guard includes large feed tube** for ease of adding ingredients whilst the machine is mixing

**Slow speed outlet** hex drive with wider range of attachments available

**Safety feature** - automatically stops when the head is lifted to prevent accidental operation

**Includes** k-beater, whisk and dough hook

**Dishwasher safe parts**

**Weight: 10.9 (Kg)**

**KENKMX754BK    KENKMX754CR    KENKMX754RD**

**£184.99** Each
